ORANGE One Day Tour - 2018
Event Fact Sheet

Event Description

A day of talking Children's Ministry from the creators of our Elementary curriculum, Think Orange. The Orange One Day Tour will help us think through:

- Design events that work together to compliment your overall strategy
- Develop a team that is aligned and plays together for maximum impact
- Rally volunteers around a common language that helps them win in leading the next generation
- Partner with other churches to provide the kind of practical solutions that can transform the faith of a community
- Cue every parent and grandparent to leave a lasting legacy of faith and character in their own kids
