#### Welcome to CCB

Welcome to your online community! We hope you will be able to get better connected by using group communication tools, looking for groups that may be of interest to you, and then joining one! You may also find a place to use your gifts by looking at our volunteer positions.

When you log in, you will be able to see all your groups, events you might be interested in, and much more. You may wish to take a moment to update your profile information to ensure our records are correct. Do this by clicking the **Go to my profile** link on the upper right side of the page. Also, be sure to fill in some of the *My Fit* information, like your passions and abilities, so others can get to know you better.

We hope you enjoy your online community!
