Wise Men Bring Gifts

Matthew 2:1-11

When Jesus was born, a bright star came to rest over the place where He was born. There were three wise men who saw this bright, shining star and followed it from far away. When they found Baby Jesus, they gave Him gifts. The wise men gave Jesus valuable gifts, but the most precious gift was their TIME. It took many days to travel to see Him.

PARENTING PRESCHOOLERS

TEACHING KIDS TO PRAY

ONE WAY TO SPEND TIME WITH JESUS

"Once Jesus was in a certain place praying. As he finished, one of his disciples came to him and said, "Lord, teach us to pray..."

Why did the disciples ask Jesus to teach them how to pray? They could see that Jesus was getting answer to his prayers and they were not. I am a believer in participatory learning. Just telling kids they need to pray is not good enough. I want my kids to know how to pray and get answer to their prayers.

New believers don't know automatically know how to pray. In fact, when we first get saved our prayers are selfish and misguided. Others use their prayer time as an opportunity to complain to God about their problems. This is offensive to the Lord.

Prayer is simply talking to God and listening to God. When we pray we are spending time with God.
