Event Description

Capture a vision and pathway for your church's local and global impact at Purpose Driven Church Conference 2018. With a proven and intentional approach to ministry, Purpose Driven Churches are committed to the same five purposes for God's people and the church: Worship, Fellowship, Discipleship, Ministry, and Evangelism. While congregations come in all shapes and sizes, God's purposes for the local church never change. From June 26th to June 28th, join pastors and ministry leaders from over 40 countries, states and denominations in becoming healthy, effective, growing churches together on mission.
