

Prayer Walk

Pray as a family, while you walk through your home.

As you stand near the front door, thank Jesus for being the way to eternal life. Thank him for creating you in a time and place you can worship him.

In the living room, thank Jesus for the people in your family. He chose them for you and each of you has a purpose.

In the kitchen, thank Jesus for providing food, clothing, shelter and the things you need. Ask him if your family needs something else.

In a bedroom, pray for others who do not have the things you have or are sick or hurting.

When you pass a smart phone or computer, ask Jesus to give you wisdom to live your life according to His will.

When you pass a clock, ask Jesus to show you how to make time for others: serving them or sharing about Jesus.

Tell Jesus you love him. AMEN
