

Rock Brook for Kids
Where Learning Is Fun!

Kids Small Groups Event Fact Sheet

Event Description

Small groups are the next step growth path at Rock Brook Church. The RBfK Kids Small Groups are especially designed for children and staffed primarily by leaders from our regular weekend services who already have an existing relationship with the kids. The KSG uses Saddleback Church's *The Journey* curriculum, which follow the themes of Rock Brook Church's Growth Track purposes. We are excited to present this wonderful opportunity for our children's relational, intellectual, and spiritual developments.
