### King Asa

God created us to love Him! King Asa was a man who worshiped God. He went from town to town tearing down the false idols or statues that other people worshiped. King Asa even removed his own grandmother from being Queen because she didn't love God the way that she should. God rewarded King Asa for his love for Him. He brought peace to the land that King Asa lived in. King Asa did what was good and right in the eyes of God. He was faithful to God, and God continued to bless him. However, when King Asa grew old, he turned from God and he was punished. He suffered and so did his land. It's important to worship God our entire life. ## Do This!

Worship is not just something we do at church. We worship God at home, at school, at the park – everywhere! Whether we are singing, sharing our toys, learning Bible stories, being kind to others, we can show God that we love Him. And loving God is what worship is all about.

## Practice Point:

I will worship God every day,  
By the way I play, pray and obey.

Draw and color a picture about today's story.  
Then share it with your family and friends!
