

**What On Earth Am I Here For?
Birth - Age 3
Lesson 6 – Share/Bring**

Toddler Tid-Bit (Activity at home for parents and children- can be included in weekly handout)

Verse: *Bring others to Jesus.* 2 Timothy 4:5b (NLT) paraphrased

Message: Paul was a church-planter. This is someone who starts a church in a new place. Churches can be in homes, open theaters, tents or chapels. It is a home for believers, but it is also a place for non-believers to come and hear God's word. Paul's mission was to invite people to hear him speak wherever he was speaking. Many people brought their friends. There are two parts of **SHARE**...bring and go. Paul knew he needed to find places to **bring** people to hear his message about God. After they become followers, they then had a church home. A home to worship and a home to share with others. Paul changed the way churches were formed and they grew larger and larger. Paul's heart was to share the Good News with everyone he met. The fifth purpose of your life here on earth is to **SHARE**.

Baby Bible Signs:

Word: God

Motion: Hold your right hand, palm open, bent upward at a right angle, toward your wrist. Place your hand and arm, thumb toward you, at forehead level and move downward, drawing your hand along the middle of your face and down to your chest, stopping at your heart.

In action: *God loves me.*

Try this activity with your child to teach that God is their friend:

Praying with your little one is a great way to show them that God cares about them and wants to talk to them like a friend. When your child wakes up in the morning, before a meal or before your child goes to bed, say a little prayer with him or her to talk to God. It does not have to be long or complicated. A simple prayer that says, "God I love you. Thank you for today." is enough to show your child that God cares about the little stuff in their lives, just like a friend does!

Pray this prayer with your child:

Dear God, Thank you for loving me. Help me to tell others about you. Amen
