

WEEK SIX

Picture This

Jesus returned to the city of Capernaum. When the people heard that He had come back to town, they all came to see Him. Soon, there was no room in the house where Jesus was speaking. A group of four men wanted Jesus to help their friend who was paralyzed and could not walk on his own. They cared about their friend so much that they carried him to the house where Jesus was speaking, cut a hole in the roof, and then lowered him through the hole right in front of Jesus. They really wanted Jesus to heal their friend. Jesus was impressed by this act of friendship and faith. So, He said to the paralyzed man, "Get up and walk." The man did exactly what Jesus told him to do! He walked right out of the house for everyone to see. The people were amazed and they praised God. (Source: Mark 2:1-12 NIV)
